Humanitarian of the Year Awards

Geraldine Ambe

Geraldine is the dance teacher to the dance troupe, Youth in Action. Geraldine teaches traditional African dances to this group that performs these dances at a variety of local events. Geraldine is also involved with the Martin Luther King Jr. Holiday Commission as well as is on the board for Global Neighbors.

Geraldine is an activist for causes relating to the ongoing civil war in Cameroon. She and a small group in 2016 decided to start an "online revolution in Cameroon" to speak out against what they saw as mismanagement of the government. She also is a co-founder of the Southern Cameroon's Women's Movement.

Geraldine works at High Plains Fair Housing Center. The mission of High Plains Fair Housing Center is to strengthen communities and to ensure equal access to fair housing through training, education, enforcement, and advocacy. She holds a degree in Computer Information Technology from United Tribes Technical College.

Bismarck Veteran's Memorial Public Library

The Bismarck Veterans Memorial Public Library was nominated for its many services and welcoming atmosphere available to our community and residents. The library provides equal service and a safe gathering space for the citizens of Bismarck/Burleigh County regardless of social standing, race, color, sex, age, marital status, sexual orientation, gender identity, national origin, or mental or physical disability.

Additionally, the Library Board of Trustees recently approved a new section in the Library's Public Service Policy titled Youth Anti-Bullying Prevention. This policy "aims to protect the dignity and safety of youth served by the Bismarck Veterans Memorial Public Library. Bullying, harassment, and intimidation in all youth-serving Library services, activities, programs, and facilities are prohibited."

LOGO DESIGN COLLABORATION

The BHRC collaborated with Bismarck Public Schools Career Academy & Technical Center and student Taylor Cook for a new logo for the committee. The logo that the committee was using did not print well on items and committee members felt that there was a need for a logo showing more diversity.

Taylor created an updated logo for the committee's use as one of her community projects through Empower [Ed], a personalized path to graduation based on who students are and how they learn best. Taylor provided a series of conceptual drawings to the committee for their initial review and revised the concepts to reflect the wishes of committee members.

BHRC member, Jason Grueneich stated "Our partnership with the Career Academy and Taylor Cook couldn't have been a better fit. She put her creative skills to use on an authentic project that resulted in a logo that strengthened our brand." The logo will be used for marketing for the committee for many years to come and we are ecstatic that we were able to give a high school student a chance to complete this project for us. The logo was released in January and has been widely used by the committee.

MARTIN LUTHER KING JR DAY CELEBRATION

This event celebrated the dream and legacy of Martin Luther King Jr during a celebration held at Trinity Lutheran Church. FAMILIES AROUND THE WORLD

The Bismarck Human Relations Committee had a booth at the Families Around the World Event which was held at the Bismarck Veterans Memorial Public Library. This event celebrated diversity in Bismarck. At our booth, we offered the activity of rock painting. We talked to attendees about our mission of inclusion and diversity in our community and what we are doing to support this mission.

BAND NIGHT PARADE

The committee along with some community members walked in the Band Night Parade. The members shared information and some sweets with the people along the parade route. The members enjoyed walking and visiting with citizens and were glad that the weather changed for the better right before the parade started that night.

CAPITAL PRIDE EVENT

The Bismarck Human Relations Committee participated in the Capital Pride Event.

This event is an annual, family-oriented summer event that celebrates the LGBTQIA2S+ community. During the Capital Pride event, the Bismarck Human Relations Committee had a booth and shared information on the mission and purpose of the committee which includes the importance of inclusion and diversity. Committee members had a great time talking with the people attending the event and sharing our mission along with handing out SWAG items and brochures detailing our mission. MUNICIPAL EQUALITY INDEX

RATING

The Bismarck HRC has worked, along with city administration, to coordinate efforts on spotlighting areas of improvement within the city departments to improve inclusion, equality, and accessibility for our LGBTQ+ citizens.

As the HRC is looking forward towards a more sustainable future for our great city, we continue to focus on increasing our city's index rating scorecard. This scorecard focuses on best practices to support LGBTQ+ community members, employees, and businesses. This is taking another step towards the values in the City Strategy Plan and creating community pride.

We met with department heads and coordinated strategic planning. We improved our score by two points from the previous scorecard. We continue to work on this, and we believe, with our current efforts, that we will continue to raise our score.

HRC believes accountability is necessary from all stakeholders; including city employees, elected officials, and community partners, to improve the index scorecard rating and overall well-being of Bismarck. HRC looks forward to the next 12 months of welcoming diversity, exhibiting community pride, acting with integrity, and looking towards the future with this project!
