Mr. Young presented background information and noted a similar group of individuals in Mandan successfully collected the adequate number of signatures to be placed on the June ballot in 2024. Mr. Young noted supporters in Bismarck have collected approximately 1,100 signatures, several hundred short of the 1,500+ signatures required to be placed on the June ballot in Bismarck. Mr. Young requested the Commission consider adding the Home Rule Charter Amendment to the June ballot so it would align with similar efforts in Mandan. Mr. Young noted that if the measure were to pass in both communities, the tax collections would begin simultaneously.

Mayor Schmitz expressed support for the concept but raised concerns about the potential North Dakota property tax initiative. He noted that if it is approved, municipalities would be forced to modify budgeting processes to supplement the loss of property tax collections.

The general consensus of the Commission is to encourage the sponsoring committee to continue collecting signatures, recognizing that the deadline for the November general election will be 60 days before the general election day.
