- **Boilers-**
  - An anonymous donor couple recognized the need, and generously gave $130,000 to replace the boilers.
  - C. Kujawa is working with City of Bismarck Facilities Manager, Bruce Schirado to prepare bid language for publication, at which time trustees will be notified.
  - Per City policy, based on the estimated project cost, it will be published in the Bismarck Tribune three times over the course of 21 days. The city attorney will open the bids, the low bidder will be awarded the project, assuming it’s within budget. Boilers will then be ordered and installed, with the old boilers removed accordingly.

- **Labyrinth project and signage-**
  - Hydroseed has grown and filled in nicely.
  - Integrity Landscapes has been lacking in communication, their proposal will not be pursued.
  - Rocks and Blocks Landscaping will assess a large rock for the area and determine delivery of it.
  - Mann Signs will create and affix a bronze sign to it with anticipated completion by year end.
  - River City Lawn & Landscaping has been contacted for 2023 landscaping.

- **Staff updates-**
  - With the approved 2023 budget, funding is secured for two additional full-time paraprofessional positions. One position is a Technical Services Associate, the timing of staffing changes has made this the ideal time to hire for this position and will be posted soon.

  - A video game tournament for teens will be held on November 12.

They also approved the remaining $24,000 needed for the main floor painting project. The committees will bring the recommendations to the Library Foundation Board meeting on November 4 for final approval.
  - C. Kujawa will contact Mann Signs to convene creation of the sculpture, with potential for a concrete slab yet this year.
  - C. Kujawa met with Bob Eckert Painting, with intent to begin the main floor on November 21. Preparation will include:
    - Us removing permanent art.
    - Providing paint colors.
Meeting regarding questions pre-project.
Weekly discussions as to locations for us to prepare and move items if/when necessary.
Clear instruction of appropriate paint colors in designated areas.
Painting will be done overnight to reduce paint fumes.
Initially, C. Kujawa will be onsite overnights to monitor the project.
Completion is estimated to be 5-6 weeks, possibly by year end.

Other-
$42,000 in funding was lost due to a Burleigh County accounting error.
The County Commission met, apologized to the city, but not directly to the library, who was affected. Their consensus was that they didn’t collect the funds so they cannot make amends via their general fund. No further discussion of funding sources was suggested.
Perhaps within the 2024 budget it can be calculated into the requested revenue to ensure the funding is recouped.
K. Jones apologized on behalf of the County Commission, assuring steps will be taken to eliminate future problems. She stated that the State’s Attorney has been consulted and will be asked to attend a Library Board meeting to discuss the impact of this error.

For the Bismarck Library Foundation, Inc., J. Hughes reported:
- He reiterated the committee’s grant request approvals.
- Appreciation of the boiler funds donation, this has been a concern for several years.

For the Friends of the Library, E. Jacobs reported:
- The fall book sale held in October raised about $18,000 of which $15,000 has been pledged for the main floor painting project.
- The membership drive was successful and welcomed 40 new members.
- A picture book browsing shelving unit was funded and should be ready within a couple of weeks.

The regular Board meeting has been scheduled for Thursday, November 17, 2022 at 12:00 p.m.
The meeting adjourned at 1:21 p.m.

Respectfully submitted,
