

SOUND THE ALARM
Save a Life

Help us Sound the Alarm about home fire safety.

This spring we're rallying volunteers to team up with fire departments and community partners to install hundreds of FREE smoke alarms in homes across Bismarck and Mandan.

Every day 7 people die from home fires. A working smoke alarm cuts the risk of dying in a home fire in half. Join us as we Sound the Alarm to make homes safer and educate residents about home fire safety and preparedness.

Bismarck-Mandan

Saturday, April 27, 2019

9:00 a.m.-1:00 p.m.
