WHAT:

Summer Concert-History of Blues in America/Kids Edition-History of Blues in America

Acclaimed guitarist and music historian Joey Leone presents a one hour program covering the history, influence, and social impact of American blues music through songs, stories, and historical facts. Over his long career, Joey has toured as a sideman guitar player for many high-profile artists including Etta James, The Coasters, Sam & Dave, Wilson Pickett, Chaka Khan, and many more.

Young people will find the History of Blues in America show to be fun and informative, as Joey Leone connects the history and style of earthy blues musicians to the vernacular of hip-hop, top 40, and spoken word artists of today.
