## **MEDIA ADVISORY**

**FOR IMMEDIATE RELEASE:** Bismarck Veterans Memorial Public Library celebrates National Library Week from April 6 through 12, 2025

### **WHAT:**

Over 250,000 people visited the Bismarck Veterans Memorial Public Library last year.

### **What's the draw? Everything!**

The library is a hub for learning, creativity, and connection, helping people of all ages explore new ideas and opportunities. From young families stopping in for play and storytime to students sketching out their next creative project in Teen HQ, to seniors seeking tech help, and everyone in between, the library helps citizens connect the dots from one part of their journey to the next. National Library Week, April 6–12, 2025, is a time to celebrate the many ways libraries bring people together, spark imagination, and support lifelong learning.

At Bismarck Veterans Memorial Public Library, we invite the community to join the celebration! Whether you're a longtime patron or haven't visited in a while, now is the perfect time to explore all the library has to offer. Our library provides public computers and free Wi-Fi, ebooks and digital audiobooks, research and technology assistance, creative programming and events for all ages, a first-class collection of books, movies, games, and so much more, ensuring that everyone has access to resources that educate, inspire, and connect.

Whatever draws you in, the library has something for everyone. This National Library Week, rediscover your library and see how it draws us together as a community. You belong here!
